Hey Brittany. We should meet up before the call to walk through HDOA's latest proposals. I should finish my review in a few hours. I'll try to get Julia's thoughts as well. I'm in the office today, teleworking tomorrow and Monday.

Thank you for following up Mary. We have the call with HDOA scheduled for Monday afternoon. Desean will be on the call in an effort for us to keep our EPA group numbers low. Can you share your specific concerns with us prior to the call? Also, please let us know what you hear from your OPP contact.

Thanks again.

Thank you Brittany. Friday works for me.

Patti and I have reviewed it and think that it looks pretty good, in general

Please see the attached red-line from HDOA. I will send out an invite to speak about this most likely for Friday to give us an opportunity to review and identify any questions.

I apologize if these documents are all messed up – it's late – and I was rushing to finish. That being said, attached is a draft with comments – black font is text from the original you sent – green font in black brackets and strike thru is deleted material – red font and underline is added materials. At least I hope I got all the colors correct. The other document is the draft with all the changes incorporated. Pass along to whoever needs to know.

Talk to you next week. Have a good week-end, or I hope you had a good week-end, whatever the case may be :)
